2. Think of a username and password. You might want to write these down somewhere safe for when you want to return to the site at a later date.
3. Enter your name, email address and a few details, then click on **<Create my new account>**
4. A confirmation email is sent to your email address. Check your emails, and click on the link in your email address to confirm your information. You will be taken to the site, and a list of courses will be shown.

(If you don't receive this email within a few minutes, please check your **SPAM folder** – it might have been filtered. If you can't find it, you might have entered the wrong email address (check that you got the **.co.uk** or **.com** right) If you are sure that you entered the right email address, contact the admin or paul@safe2care.co.uk where you can be confirmed on the site.

5. Choose your course.
6. Complete your course by doing the **COURSEWORK**, do the **END OF COURSE QUIZ**, complete the **EVALUATION** and then **CLICK ON COURSE COMPLETE**.
7. You should note that your progress through the course is monitored by the computer, and it shows ticks to confirm the areas that you have completed.

Once you have registered and confirmed your email address you will be taken to the following page

The First Page

The First Page shows all the courses that are available.

Here is a picture of what it looks like:

When you move over a **LINK** your cursor will change to finger. This means that if you click on this link, you will be taken to another part of the site.

Lets have a look at some important features:

The screenshot shows the Lydiancare elearning College interface. A teal header bar contains navigation links: ALL COURSES, NEED HELP?, MY COURSES, and FACEBOOK. A user is logged in as 'paul'. A vertical sidebar on the left has 'My latest badges' and 'Administration' tabs. A callout box points to the navigation links, stating 'A menu to help you navigate around'. Another callout box points to the user name, stating 'You can logout here'. A third callout box points to the sidebar tabs, stating 'These tabs show you important information'. A red circle highlights the 'Working with Lydian care' course title in the 'Available courses' section. A callout box points to this title, stating 'Click on the Course Title to enrol in that course.' To the right, a 'Welcome to Care Colleg' message is visible, mentioning that users will find all required information for their Lydian induction and home care courses, which are mandatory and completed before starting work. It also mentions that users should contact Dea for assistance or Paul at safe.

Starting your training

After clicking on a course title you will notice the following at the **bottom** of the page:

The screenshot shows the course details page. At the top, there is a list of topics: Working with equipment, Principles of using a hoist, and Outlawed manoeuvres. Below this is a section for 'Self enrolment (Student)' with a dropdown arrow. Underneath, it states 'No enrolment key required.' and there is an 'Enrol me' button.

Click on **Enrol me** use any enrolment key that you have been given.

You will be taken to the Course Page.
